We grow together by being known, loved and supported.  
We are empowered by the Holy Spirit, to worship, witness, and serve

16<sup>th</sup> April 2021

Dear brothers and sisters in Christ

In this Sunday's gospel the Risen Christ tells the disciples; *"It is written that the Christ would suffer and on the third day rise from the dead and that in his name, repentance for the forgiveness of sins would be preached to all the nations.."* We are called upon to share our own Easter experience with others. What is the point being the first person to hear really good news if you never get the honour of broadcasting it?

What is your personal experience of Easter? Since that day, what changes have you noticed in your spiritual life in the course of your forty days Lenten observance? Like Peter, have you tried to pray for anyone using the name of Christ? What happened afterwards? Again, like the two disciples who met Jesus on their way to Emmaus, have you had any personal encounter with Jesus recently? Have you had any close experience that made you become even more convinced that Jesus is God?

Today, Jesus is basically saying to us: "Do not keep it to yourself!" Our primary message to the world is the same message Peter proclaimed to the great assembly of people who had gathered at the instance of the healing of the lame man who begged for alms. The message is simple: "Repent therefore, and turn again, that your sins may be blotted out." Acts 3:19.

We should allow our lives of faith and love become our speakers. We should pray to the Lord to give us the right words in our lips and to confirm our actions with his signs. The two disciples had barely started narrating their experience before Jesus himself came among them to confirm their message by eating real food. Every time we share the Gospel with others, Jesus is right there with us. "For where two or three are gathered in my name, there am I in the midst of them." Matthew 18:20. Let us share the joy of our encounter with the Lord

Fr Paul

### CAFOD – Climate Change Petition:

This year, the UK will host the largest gathering of world leaders ever to take place on British soil: the 'COP26' climate talks in Glasgow in November. As Prime Minister, Boris Johnson must push world leaders to show the ambition we need to keep temperature rises below the disastrous 1.5-degree threshold. This means that all countries must play their part. With the eyes of the world on the UK, we must urge the Prime Minister to make sure communities hardest hit by the climate emergency are listened to at COP26. Please sign our petition at [//cafod.org.uk/reclaim](http://cafod.org.uk/reclaim) or contact the CAFOD Shop: 0300 011 5680 for a petition card. Thank you.
